Introductory

We take great pleasure in presenting this, our **twentieth** issue of the Glendale City Directory.

The Householders Guide, the first section of the book, lists all houses, stores, etc., in numerical order by streets. This section shows the wonderful growth of the city in new buildings, an increase of approximately 1500 since the 1940 issue was published.

The estimated population of Glendale is 90,000, based on the number of names (42,084) appearing in the alphabetical section of the directory with allowance for children and women whose names are not listed separately from those of their husbands.

This shows an increase of approximately 7,000 since the Federal census of January, 1940.

The last section of the book is a complete catalog of the city's business, professional and industrial life generally.

Names appearing in **Bold Face** are those whose cooperation has made this work possible.

We tender them hearty thanks.

Yours very truly,

GLENDALE DIRECTORY CO.

Publication date December 16, 1940.
